ERIC BAINS

DESIGNER / ANIMATOR

Genuine design that communicates through determination.

Profile

A designer and animator with a passion for bringing brands to life in film, print, and online platforms with innovative ingredients of design elements.

I work with a variety of clients, providing them with relevant solutions for their brand identities, film productions, and online content that engages the viewer and forms an emotional connection with them.

I'm always seeking inspiration from creative and inspiring individuals to spark growth.

Characteristics

Ultra focused, personable, detail oriented, open to change, and interested on impoving
