Experience

Hennessey Productions/ Freelance artist
February 2014 - October 2014

I was employed as a freelance artist for a production company. My job was character design and concept art. I set my own hours for this job and was able to work from home, as needed.

Marc L. Rissmann/ Freelance illustrator
January 2020 - January 2022

I was employed with Marc to provide illustrations for a children's book. I work from home and send out rough drafts of 2 pages every week to receive feedback and updates.

Affray Interactive/Junior Concept Artist
February 2023- Present

I'm currently employed with Affray interactive to help design characters, provide story visuals, and produce environment art as needed.

Education

Art Center College of Design
February 2016 - December 2016

I attended Art Center for two semesters during the year 2016. Unfortunately I wasn't able to continue due to financial issues. While I was there I learned essential foundation skills, including figure drawing, oil painting, color theory, perspective drawing, and an introduction to digital art.
