INTERESTS AND PASSIONS (CULTURE & SPORTS)

I like to experiment and to discover new things through music, visuals and sensations, especially if are combined each other. My musical tastes are various and ranges from genre to genre, but with an experimental orientation. I spend part of my time to draw, practice calligraphy and to my passion for arts, especially for contemporary arts. Another one great interest is cinema, I like to watch movies by *Von Trier, Bergman, Ferreri, Lynch, Aronofsky, Haneke, Fincher* and *Kubrick*. About reading I love *Grass, Dostoevskij, Calvino, Buzzati, Bulgakov* and *Bernhard*. I have been practicing Triathlon and Athletics for several years, giving me the opportunity to face new challenges and discover new beautiful places.
