PROFESSIONAL

Creative Director SPIRITUALITY & HEALTH MAGAZINE, REMOTE

2010 TO PRESENT (GOOD HARBOR MEDIA 2019–PRESENT, SPIRITUALITY & HEALTH MEDIA 2012–2019, FREELANCE 2010–2012)

- commission artists and photographers, negotiate licensing agreements, and hire/direct freelance design as needed
- research contemporary artists to license existing artwork for inclusion in editorial content, a feature that is regularly and heavily complimented in reader surveys
- develop in-house illustrations, icons, and lettering
- designed the annual SIP *The Soul/Body Connection* (now defunct) which had a 75% sell-through in the first year
- selected to curate the first They Draw and Cook illustration challenge (“Eat the Rainbow”), which resulted in hundreds of submissions, subsequent art licensing, and commissions
- finalist along with *Food & Wine*, *People*, and *Travel+Leisure* magazines for Media Industry News’s best single issue design award for March/April 2013 issue
- increased social media engagement by creating graphics and other visual programs for Facebook and Instagram
- designed and produced mag+ app version of issues for 4 years

Art Director PRIMITIVE QUILTS AND PROJECTS MAGAZINE, REMOTE

NOVEMBER 2019 TO PRESENT (GOOD HARBOR MEDIA)

- redesigned magazine to become more user-friendly and engaging, receiving many compliments from founders and readers
- location scouting and on-site photo styling, arranging backdrops to complement the primitive/folk art style of the project designs
- create quick scrap projects included in photography for additional reader content and points of entry
- manage freelance designers and photographer, keeping work flowing consistently over production period
- color correction of studio and location photography to ensure continuity

Freelance Editorial Design and Writing REMOTE

OCTOBER 2006 TO AUGUST 2012

- cover and interior design for books and magazines, including image research, photographic art direction, illustration commission, magazine redesign, and template and style guide creation
- specialized in cookbooks, architecture, fine crafts, health and spirituality, astronomy, music, and other lifestyle, art, and hobbyist non-fiction topics
- curator, author, or coauthor of many books, including *1000 Ideas for Decorating Cupcakes, Cookies & Cakes*
- clients included Scientific American, Sky Publishing Corporation, MBI books, Quarry Books, Pearson Education, The Taunton Press, and others

Creative Director SKY PUBLISHING CORPORATION, CAMBRIDGE, MA

DECEMBER 1996 TO OCTOBER 2006

(ART DIRECTOR 1996–2000, CREATIVE DIRECTOR 2000–2006)

- creative director for multi-media publishing company, supervising in-house graphic designers, illustrators, and photographers in the production of *Sky & Telescope* magazine and other newsstand publications, as well as astronomy books, products, and marketing materials, ensuring all deadlines were met
- commissioned editorial illustration, photography, and infographics, successfully staying on departmental budget
- in addition to hands-on design of magazine covers, features, and books, responsible for art directing and approving all Sky Publishing publications for stylistic consistency
- editor/curator of *Beautiful Universe 2004-2007*, Sky's annual pictorial newsstand publication, earning a silver Ozzie Folio Award for the design of *Beautiful Universe 2004*
- elected to Sky's Board of Directors for two years, guiding the direction of the media company
- in 2006 Asteroid 12780 was renamed Asteroid Salamony for my "working to bring the science and hobby of astronomy to the general public"

Publications Director NEW ENGLAND CONSERVATORY OF MUSIC, BOSTON, MA

MARCH 1995 TO DECEMBER 1996 (CAMPUS GRAPHIC DESIGNER 1995,

PUBLICATIONS DIRECTOR 1995–1996)

- hired as Graphic Designer responsible for the design of all publications of the Office of External Affairs, including college view books, alumni magazines, invitations, brochures, and special event collateral materials, and eventually became the first designer to be named Publications Director
- hired and supervised the Campus Writer
- won Gold CASE (Council for Advancement and Support of Education) award for special event invitation design for the Jordan Hall Restoration Celebration
- conceptualized, organized, and designed special "Day in the Life of NEC" issue of *Notes*, the college alumni magazine

Graphic Designer CLASSIC WINE IMPORTS, BOSTON, MA

AUGUST 1989 TO DECEMBER 1994

- supported wine salespeople with custom graphic design for restaurants and wine shops, ensuring that they had wine lists, wine dinner programs, table tents, point of sales materials, and newsletters provided in a beautiful and timely manner
- developed creative ways to customize wine lists with multi-toner printer and art papers
- learned wine varietals and wine-producing regions, participated in tastings and wine dinners, attended food and wine special events, and met visiting vintners
