## PROFILE

Experienced, results-driven creative professional with strong conceptual skills and sharp strategic instincts; diverse experience in digital and print art direction, graphic design, brand development, and video production. Advanced management capabilities and a passion for digital strategy and telling compelling brand stories. On top of current design trends and best practices for print, digital, and integrated marketing campaigns.

Adept at seeing a project through from concept to execution. Exceptional ability to solve challenging problems creatively; comfortable working with ambiguity and adapting to change. At ease using data to inform creative decisions.

## EMPLOYMENT HISTORY

### Mod Creative, Inc.

Twin Cities, MN

**Creative Director** 8/2019–Present

Generate creative strategy for all agency projects, elucidating client objectives through discussion and crafting detailed creative briefs. Collaborate with and oversee freelance designers and developers turning wireframes into polished and engaging UI/UX solutions for web, interactive kiosks, and mobile products. Design innovative assets for digital, mobile, social, and interactive projects — working closely with the programming team to ensure exceptional quality on all deliverables.

#### Key Achievements:

- Designed UI/UX for innovative new interactive wayfinding app.
- Generated significant new business through strategic direction and creative thinking.
- Developed agency brand identity, strategic positioning, website, and pitch materials.
- Designed logos and brand standards for core agency products.

### ShopHQ (formerly Evine)

Eden Prairie, MN

**Creative Manager** 8/2017–8/2019

Drove creative strategy for a variety of multi-category retail promotions, leading a team of designers and art directors toward fresh, creative solutions. Collaborated with cross-functional stakeholders to streamline processes and define creative standards and initiatives. Created partnership proposals and pitch decks.
