JAMISIN MATTHEWS

Resident Evil's Leon Scott Kennedy in videogames and films, Jamisin is the original Leon 3D facescan model appearing in *Operation Raccoon City*, *Degeneration* (vg and movie), *Damnation*, and *The Darkside Chronicles* and more. He ranks 3rd on the 2020 greatest videogame characters of all time list.

My Chemical Romance fans know Jamisin as *Life On The Murder Scene's* demolition groom. The album got two re-releases within the past year.

Jamisin stars as Jack Anvil in 2019 Rondo Hatton award winner (Best Independent Feature Film), *Tales of Frankenstein*.

He has body doubled Johnny Depp, Nicholas Brendon (Buffy), and even the Sprint Guy! When not on camera, he coordinates filmfights and coaches martial arts for the city government.
