JAMISIN MATTHEWS

Leon Scott Kennedy in video games and films, Jamisin is **Resident Evil's** most utilized photographic face scan model and reference for the character. His portrayal of Leon spans the character's entire story arc, appearing in Operation Raccoon City, Degeneration, Damnation, The Darkside Chronicles, and more.

My Chemical Romance and emo fans know him as the Revenge era's iconic Demolition Groom. **Life On The Murder Scene**, on which he is showcased as one half of the Demolition Lovers, recently received two special edition re-releases.

Jamisin also stars the Rondo Hatton Award-winning **Tales of Frankenstein** and the upcoming **The Outlaws of Mendocino**. When not on camera, he coordinates film fights and coaches martial arts.

*Fun fact: high level **Buffy the Vampire Slayer** fans may recognize Jamisin as a member of The Initiative.*
