IN MY POCKET

- 15 years of creative industry experience in education, healthcare, technology, and advertising
- A metaphorical bridge-builder of strategy, content, and design teams and empathetic collaborator with subject matter experts in diverse fields
- Extensive expertise with conceptualizing, designing, and scaling solutions for complex strategies with scientific objectives
- Seasoned creative leader of design, illustration, motion, sound, and UX teams

EDUCATION

OCT-DEC 2018

School of Motion Animation Bootcamp

SEP 2005-JUN 2007

VBATC Digital Design I + II

I BELIEVE

IN THE POWER OF IDEAS.

I champion creativity with a strong foundation in conceptual thinking and a passion to step into the unknown to bring ideas to life.
