PROFESSIONAL EXPERIENCE

GRAPHIC DESIGNER
March 2018 – Current | Audigy | Vancouver, Washington
Create marketing and collateral as part of the Marekting Shared Services team for our members in the the healthcare space.

GRAPHIC DESIGNER
June 2016 – September 2017 | Stratus Dental | Vancouver, Washington
Worked closely with leadership, marketing teams and key stakeholders to provide a high degree of graphic design/technical support for print and online projects and campaigns aimed at supporting and developing corporate and member business in the dental market. Executed campaigns consistently–communicating brand standards clearly to stakeholders.

GRAPHIC AND MOTION DESIGNER
December 2013 – June 2016 | Audigy Group | Vancouver, Washington
Executed marketing and print design deliverables at a high level of quality and production readiness. As a motion designer, duties included collaborating with the production team in developing instructional and informational videos, storyboarding and design of all video assets.

BROADCAST GRAPHIC DESIGNER
January 2010 – November 2013 | R2C Group | Portland, Oregon
Collaborated with account and creative staff on a variety of print, web, and television projects as well as art directed the execution of creative briefs, governed the look and feel, and directed staff designers and production artists for the largest independently owned direct response advertising agency in the nation.

GRAPHIC DESIGNER
January 2004-December 2009 | Art4orm | Portland, Oregon
Utilized significant project management, production, editing and design skills as a team leader in a rapidly growing Creative Agency. Played a crucial role in expanding Art4orm's client and knowledge base through solid print, web, collateral, and branding design.
