Work Experience

Accenture Federal Services | August 2018 - Present

Experience Design Manager in Washington DC (Remote)

Designs end-to-end services for federal agencies using Human Centered Design methods. Conducts user research, crafts and facilitates design workshops, and leads designers and clients through co-creating human centered experiences.

R/GA | June 2016 - July 2018

Designer in New York, NY

Designed digital services and campaigns for a wide variety of clients, including Johnson & Johnson, Jet.com, Samsung, Toys R' Us, and ACUVUE®.

The Abbe Museum | Winter 2016

Exhibit Design Intern in Bar Harbor, ME

Collaborated in the development of the Abbe's core exhibit, People of the First Light. Designed the exhibit's logo and style guide. Created detailed plans for sections of the exhibit, including the design of a 44 ft focal point mural.

Candelita | Summer 2015

Design Intern in New York, NY

Produced branding identity proposals for a variety of businesses. Designed UI for web-app start up Tambi. Created assets and branding for the Kickstarter web series The Fabricant Way.

College of the Atlantic | 2012 - 2014

Junior Designer in Bar Harbor, ME

Designed email campaigns and print materials for prospective students. Designed and managed content for the college's blog and social media channels.

Education

BA in Human Ecology | College of the Atlantic

The interdisciplinary study of humans and their environment. Focused on art and design.
