

Work Experience

Freelance/Contractor Designer

Byron Mosley Designs - Portland, OR

June 2014 to Present

- Recently finished a three month contract at A-dec; developing catalogues, infographics, flyers, video editing and animated social media ads. Previous clients: Archdiocese of Portland and EnterOne.
- Developed "Branding Packages" for small businesses (Logos, Style Guides, and print and web collateral), as well as illustration commissions and presentation decks.

Digital Graphic Designer

Cascade Energy - Portland, OR

October 2021 to January 2024

- Began and grew the video production efforts at Cascade Energy, operating as a one-man production crew (camera operation, video editing, producing, writing).
- Implemented the Accessibility in design and educated the company in a company-wide Teams call on how to create more accessible Powerpoints.
- Helped to re-design and update the internal Cascade brand.

Image Artist

Boly:Welch/Nike - Beaverton, OR

January 2020 to March 2021

- Worked with apparel schematics, updating and providing QC for the layouts and colors, both Men and Women's Jordan apparel, from yoga pants to bomber jackets.
- Developed pitch deck for a distribution group at Nike.

Graphic Designer

Intel - Hillsboro, OR

February 2017 to September 2019

- Pioneered and utilized an internal Corporate illustration style which won me two internal awards known as the Divisional Recognition Awards.
- Developed new internal brand for Corporate Services for the year of 2019, including icons for general use and new templates for presentation and signage.
- Designed and branded the Business Assistance Center, an internal operation for facilities at Intel.

Education

Eastern Michigan University

Bachelors of Science - Electronic Media and Arts
