PROFESSIONAL EXPERIENCE

Oct. 2015 - Present:

Brothers & Company - Video Editor / Cinematographer / Drone Pilot

- Conceptualize, shoot and edit television and online campaigns, documentary short-stories and social media videos for national and international clients.
- Often juggle multiple projects simultaneously with very high expectations and tight deadlines.
- Consistently execute a one-man-band production for the majority of EnergyHQ.com content.
- Work independently in a satellite office but collaborate remotely with video team members in Tulsa and Wichita.

Aug. 2010 - Oct. 2015:

Insight Creative Group - Senior Video Editor / Cinematographer / Drone Pilot

- Concepted, filmed, edited, animated, mastered and delivered projects ranging from documentaries to retail, casino and national healthcare spots for broadcast and online distribution.
- Was the final eyes and ears on every project that went out the door.
- Created storyboards for animations and commercials alongside the design team.
- Gained extensive experience in aerial cinematography as the in-house drone pilot.

Feb. 2008 - Aug. 2010:

JourneyChurch.tv - Video Editor / Cinematographer

- Concepted, directed, filmed and edited videos for all areas of ministry.
- Shot in studio and on location throughout the metro area.
- Worked under extremely tight deadlines due to weekly production schedule.
- Encoded and uploaded videos to various social networking sites and an online media player.

May 2005 - Oct. 2007:

Fowler Productions, Inc & Vision Magazine - Marketing Coordinator / Video Editor / Cinematographer

- Traveled to various churches around the country to direct, shoot and edit interviews with church staff regarding their use of cutting-edge technology in ministry.
- Wrote and edited copy for ads and articles for both Fowler Inc. and Vision Magazine.
- Photographed products and multiple product installation applications for annual catalog.
- Assisted in design and layout of annual catalog.
