EXPERIENCE

GRAPHIC DESIGNER

Trendy Line | Watchung, NJ | Nov. 2017 - Present

Format, develop and prepare graphic artwork in preparation for production and application on a variety of metals and plastics by methods of chemical etching, screen printing and digital printing on technology products.

Design detailed graphics and templates for company products.

Revise graphics working from instructions, marked prints, and updated customer requirements.

Update and maintain graphic database.

KEY HOLDER

Lane Bryant | Bridgewater, NJ | May 2015 - Nov. 2017

Promoted from Sales Associate to Key Holder within 8 months.

Supported Lane Bryant selling, incentive and product knowledge strategies.

Analyzed the business to create clear action plans that optimize results.

Generated repeat business through exceptional customer service.
