I.T.I.S Majorana - Giorgi - Grafica e Telecomunicazioni

PERSONAL INFO

I was born in Genoa and I currently live there. I'm proficient in almost all the CG pipeline but I have a strong passion for environments, everything procedurally done, modeling and lookdev. Plus an unhealthy obsession for small details.

SKILLS (Softwares)

Autodesk Maya

Allegorithmic Substance Suite

Adobe Suite

The Foundry Nuke

Pixologic ZBrush

Marvelous Designer

Houdini FX

RealityCapture
