### EXPERIENCE

#### LMU Lighting and Grip employee

*Loyola Marymount University Film building*

2015 to 2016

- I applied for an on campus job while attending LMU and was hired to work with the lighting and grip department within the SFTV film building.
- My daily responsibilities included checking stock, repairing damaged film equipment, calling students with their fines, and working with a small team in gathering various film equipment to fill out orders.
- I had to learn the terms and what the functionality of each piece of camera equipment was in a short amount of time.

#### Theater usher for Edwards Cinemas

- Responsibilities consisted of cleaning the auditoriums, managing a team when usher leader, opening and closing the establishment, routine checks to make sure theater screens were functional.

2016-2017

#### Animator/Board Artist for ProgressivEdge (<https://progressivedge.com>)

2018-2019

- Contracted by ProgressivEdge © to animate multiple 2D animated sequences involving their businessmen characters.
- The shots were composited and compiled into long tutorial videos which were then presented to ProgressivEdge's clients.
- My responsibilities included designing the 2D characters, storyboarding the sequences, animating the sequences, and then compositing them within Adobe Premiere.

#### Freelance Storyboard Artist/Animator

2019-

### ANIMATION and SOFTWARE SKILLS

- 2D ANIMATION - TOON BOOM HARMONY, TVPAINT PRO, ADOBE ANIMATE
- STORYBOARDING - TOON BOOM STORYBOARD PRO
- OTHER PROGRAMS - ADOBE PHOTOSHOP, ILLUSTRATOR, and PREMIERE as well as the MICROSOFT SUITE (Word, Excel, PowerPoint).
