Online Portfolio: <https://gregoryh.carbonmade.com/>

**OBJECTIVE** My employment objective is to use my educational and professional experience and skills to obtain an entry level position in the profession of architecture. I am an ambitious, hardworking, and challenge orientated individual who is eager to fulfill a lifelong desire to become a registered architect.

**EDUCATION** Tuskegee University,

**Bachelor of Architecture**

Minor: Construction Science Management

May 13, 2017 | CGPA: 3.4

## RELEVANT COMPUTER SKILLS

AutoCAD | Revit | Microstation | Bluebeam | Google Sketch Up | Adobe Creative Cloud | Microsoft Office | Lumion

## WORK HISTORY

**Aerotek** | Savannah, Georgia

Entry Level Architect [Jan 2018 – March 2018]

I developed and produced contract documents and renderings as part of an architectural team for a variety of clients. I participated in architectural design development, coordination, finish selections and document production with the guidance of the Project Manager.

**Integrated Talent Strategies** | Birmingham, Alabama

Entry Level Architect [May 2017 – November 2017]

I developed and produced contract documents as part of a multi-discipline team for industrial and manufacturing clients. I participated in architectural design development, coordination, and document production with the guidance of the Senior Architect.

**Jack's Family Restaurant** | Auburn, Alabama

Certified Team Leader [March 2011 – May 2017]

I supervised the crew members and trained new employees. I started as a cook and worked my way to becoming an Certified Team leader within the first two years of being hired. I supervised up to four or five crew members each day, and train any new hires.

**Robert R. Taylor School of Architecture and Construction Science** | Tuskegee, Alabama

Student Office Assistant [August 2014 – May 2016]

I answered phone calls, managed three plotters for the students, and assisted the secretary with any office duties like organized meetings for the department. I also helped with the student recruitment for the school of architecture and construction science.
