PROFESSIONAL SUMMARY

Ambitious and driven Animator trained in 3D animation. Fluent in Autodesk Maya and Adobe After Effects. Experienced in creating 3D environments, animation, and character rigging. Enthusiastic about creating new animations for entertainment, marketing, and business needs. I am looking to bring my experience and education into an environment where I can contribute my passion to a team I can learn alongside.

WORK HISTORY

Change Lab - Animator Internship

Los Angeles, CA • 12/2019 - Current

- Using Autodesk Maya to create 3D background for cartoon character.
- Used Maya to rig 3D character for virtual reality video games.
- Used Maya to create 3D environment with garden and building.
- Created over 2 worlds from scratch, including environment, lighting, sound and motion.

Infinite Promoter - 2D Animator

Los Angeles, CA • 06/2019 - 07/2019

- Created text animation in Adobe for Facebook marketing.
- Worked alongside the marketing department in editing the results of the text animation.
